**STRAIT CROSSING BRIDGE LIMITED  
NEWS RELEASE**

---

**DATE:** May 29, 2023  
**TO:** All Media  
**FROM:** Alexis Reynaud  
**PAGES:** 1  
**FOR:** Immediate Release

---

**SUBJECT:** Confederation Bridge Closure Saturday, June 03 from 10PM to 6AM

---

Further to our previous advisory, Strait Crossing Bridge Limited (SCBL) is informing all travelers that, except for emergency vehicles, the **bridge will be closed to all traffic, this Saturday June 03, from 10PM to 6 AM** to allow for the final pour and setting of concrete associated with the replacement of an expansion joint.

"This full closure will be the last related to this expansion joint replacement." stated Alexis Reynaud, Deputy General Manager of SCBL. "We realize this is an inconvenience but as seen in the first closure, the travelling public responded with much understanding such that only a handful of travelers were impacted during the closure. Our communication today is to ensure the same outcome this coming Saturday" added Alexis Reynaud.

"We will be in the area conducting patrols during the full closure and at this time we remind all travelers to plan ahead and avoid disappointment this coming Saturday evening and night." stated RCMP Staff Sergeant Neil Logan.

Strait Crossing Bridge Limited would like to thank the travelling public for their understanding and patience during this work.
